

Our vision for the future

Volunteering in NSW grows and is vibrant. Everyone can volunteer, more often, throughout life, and their contributions are celebrated.

Guiding principles

Guide and shape the future of volunteering in NSW. They will influence actions and investments, helping the sector to adapt to changing needs.

NSW Volunteering Strategy

Growing volunteering, making a difference

2020 - 2030

Strategic approach

How the NSW Government will invest in, support and recognise volunteers and volunteer involving organisations.

-  Volunteer centred
-  Life course of volunteers
-  Recognising diversity
-  Technology
-  Whole-of-sector and whole-of-community
-  State-wide change and locally driven responses

Our focus areas

Growth and Support

Increase participation. Making volunteer management, retention and management easier.

Knowledge

Improve understanding of volunteering in NSW.

Value

Enhance recognition of the contributions made by volunteers
